Prediction for the Future

PREDICTION FOR THE FUTURE

You will have truth.
You will have peace.
You will have health.
You will have abundance.
You will have freedom.

When? As soon as you are ready. If you don't have these things now, you are blocking them.

Archangel Michael

I know the challenge this brings up for people because it sounds so easy. Well, it is simple but maybe not so easy. We block ourselves from receiving that which we desire in ways that we often aren't consciously aware of and don't know how to change.

There are countless situations that contribute to someone blocking their good but it usually comes down to fear, judgment, old programming, limiting beliefs and guilt held within our subconscious.

But, isn't it wonderful to know what is possible when you let those blocks go? It certainly gives me incentive to continue to clear whatever I may have in my own way preventing the full expression of any of the above.

Obviously, I am here to help anyone identify and let go of what may be blocking them. But, just knowing that there is light at the end of the tunnel should be reassuring that the world is truly filled with possibility and whatever you are or have experienced in the past does not have to dictate your future.

a contributing author to [Big Bold Business](#). Her chapter addresses how your subconscious is either supporting or sabotaging your success.

Her pro bono work focuses on a global peace and prosperity initiative healing the cause of the imbalances of life to the atrocities affecting all.

Wishing you the future that is truly possible...
