Are You Really Free?

As we come upon our Independence Day, it brings up our relationship to freedom. Am I really free? Are you?

What is true freedom? Religious and political freedom? Financial freedom? Freedom to be, do and have what you want?

Freedom to think as you'd like? How much freedom do you have around your thinking? Are you really thinking your thoughts? Or, are you thinking the thoughts of your culture, society, ancestry, or past? Are you free to think

and express the thoughts of your own? Are you free to choose healthy and positive thoughts? Or, do you succumb to the thoughts within your subconscious out of the past? Are you free to think new thoughts or are you trapped within the old and outmoded ones?

relationships, career, business, health and well being.

Working by phone using intuitive gifts, as well as established, time-honored spiritual techniques, her work includes clearing negative memories, limiting beliefs, property and karma to achieve more effortless success.

She is a spokesperson for heaven and shares those messages on the Express Success blog. She authored the book [Wisdom of the Guardian: Treasures From Archangel Michael to Change Your Life](#). She was also a contributing author to Big Bold Business. Her chapter addresses how your subconscious is either supporting or sabotaging your success.

Her pro bono work focuses on a global peace and prosperity initiative healing the cause of the imbalances of life to the atrocities affecting all.

This is a great time to reflect on the freedoms you have. Are you exercising your freedom? Are you experiencing them? Do you feel really free?

I invite you to read the following message from God on freedom dictated and shared previously in light of this holiday.

May you be free this Independence Day! I am personally looking forward to some fun with friends this weekend. Enjoy your weekend and your celebrations.

Blessings,

Joy

Message from God for Independence Day

You have freedom and independence. Are you exercising them? Are you truly free? Are you living by what this country was founded upon? I think not.

You are not free. Not really. You are free at essence. I have given you freedom. But, you are entrapped by ideals long past that no longer serve you.

Live the freedom you were meant to experience in this country. Really be free. Stop succumbing to the powers that be who rule you with an iron fist trying to control you. Who are you? You are all my children; my creation. I did not create one person to rule another.
