Assisted by deep-rooted spiritual beliefs, she is able to identify the hidden causes of challenges affecting money, relationships, business, health and well-being.

LAKELAND, FL, July 28, 2015 /24-7PressRelease/ -- Joy S. Pedersen, President, Author, Licensed Spiritual Healer and Coach for Express Success LLC, was recently named a VIP member of Worldwide Branding. This special distinction honors individuals who have shown exceptional commitment to achieving personal and professional success.

Since the 1980s, Dr. Pedersen has focused on the practice of spiritual healing using the ancient spiritual practice of ho'oponopono, a Hawaiian term meaning "to correct and set aright." As the founder of Express Success LLC, she assists people of all walks of life to find peace and experience ease and abundance in their lives. Assisted by deep-rooted spiritual beliefs, she is able to identify the hidden causes of challenges affecting money, relationships, business, health and well-being.

She is a licensed spiritual healer and a certified spiritual health coach, utilizing her vast experiences and knowledge to run her business. Primarily, she offers spiritual healing and advice to business owners and individuals, helping them clear their path of negative blockages in order to reach success. She has been noted for increasing sales for these companies due to her spiritual process. Express Success LLC provides private and group spiritual healing and coaching sessions, training and workshops, and teleseminars.

Much of Dr. Pedersen's business has been fueled by the guidance and support she feels she receives from God, angels and other spiritual beings. As the author of "Wisdom of the Guardian: Treasures from Archangel Michael to Change Your Life," she states that the book was written because of a spiritual channeling between herself and Michael. Though she has experienced unbridled success as a consultant and life coach, Dr. Pedersen remains humbled by the greater forces of the world. She believes she has found success because of her attitude and ability to discover an ancient spiritual process that releases the unconscious blocks to success.

Despite having a thriving career in the entertainment industry, Dr. Pedersen soon realized that there was more to life than outer success. Once she decided to pursue a spiritual path instead, she earned a master's degree in metaphysics and a Doctor of Divinity. She is also a non-denominational ordained minister. As a member of the American Association of Spiritual Healers and The Global Sciences Foundation, she maintains her prominent status in the industry. In 2014, she was the recipient of the Angel of Mercy Award, a further testament to her great strides as a spiritual consultant.

In five years, Dr. Pedersen, who feels a commitment to speaking to and healing the masses, will expand her professional pursuits to include more group work.
