**Heaven and the Holidays**

Our group call the other night prompted the subject for this newsletter. We had the ascended masters and angels join us for the call because I invited them. What was a surprise was the crowd of deceased family, etc. of the participants on the call. One guest even knew his dog was present, as well as Jesus, before I shared his greeting.

They spoke as a collective saying they will be present when you celebrate the holidays. And, although there may have been many family traditions celebrated in the past, that to make sure you create your own.

They also reminded us that we are never alone. Given the crowd that was with us during that call, I would say that is definitely so! They had so much love to share. Remember that the ascended masters, angels and others from Heaven, including your friends and family who have passed, have the ability to visit. By learning to discern their signals will help you recognize their communications.

Some of you feel their energy, some will hear them, others may recognize a familiar odor, and others may see. Sometimes they communicate in your dreams.

The most important thing, however, is to trust their presence and communicate with them. They can receive your thoughts more easily than you receive theirs. Maybe ask for a particular signal or symbol.

As we move further into the energies of 5D, it will become easier to connect to the other side. Those that raise their vibration, will make it easier. The higher you vibrate, the more awareness, communication and gifts you will experience. 5D is limitless.

Remember the significance of Heaven on Earth. Heaven (including your relatives) will be on Earth. You will be able to interact with them more easily in 5D. Trust the nuances, signals, flickers of light and color, etc. and begin to tune into them to see where they may lead. Make it fun! 5D is all about fun.

Enjoy the holidays knowing that all of Heaven is supporting you through them. They are a time of joy for many and some come with mixed emotions.

For those who celebrate Christmas, Jesus is as present today as ever. Seek him out and trust he responds and is present. I have seen him on Christmas and Easter so there isn't any reason you can't as well.

Wishing you a wonderful weekend and holiday season.

Faithfully yours,

Joy
