Archangel Michael Addresses Your Challenges

Dear Friends:

Here it is Friday again and the time I set aside to write you. I asked God what would be most purposeful for you rather than think about what I could possibly say. Archangel Michael chimed in saying he wanted to write you himself. So, therefore, I gave him the floor and this his what he wanted to convey:

I come to you this day with good news. Many of you have been anxious about what is to come, what is going on and where do you fit in the scheme of things. Please allow me to elaborate. Many of you have been struggling and you think it is just about you. Some of you are struggling because you have taken on the energies around you, as well as, having your own baggage surface. That baggage may be eons old, but it is baggage that needs to be released in order for you to realize the full benefits that await you of Heaven on Earth. There are many benefits awaiting you in Heaven on Earth.

Some of you knowingly have arrived in Heaven on Earth and wonder, "Why does this look much like it always has?" questioning "Is this all there is?" Let me elaborate. All is a reflection of your consciousness. Many of you are still operating from an old paradigm because that is what you are used to experiencing. You don't know it is different on a conscious level because the 3D matrix you are still operating from, is still firmly planted within your own mind. So many of the solutions, abundance, etc. are being blocked.

We have actually asked Joy to start doing group healings to release some of this programming that has a stronghold on your minds. She has agreed to do the first one next Saturday.

But, understand this. This world has a whole new matrix, mindset and possibility that right now you don't understand or accept as possible. You won't be able to accept it until the old matrix and mindset are lifted from your consciousness.

Keep in mind some of your programming is eons old and equally so for those around you. With each one of these upcoming calls, we will be addressing it for you as well as the global consciousness to set all humanity free. Abundance is available to you.

Come join us next Saturday while we address this for you and all.

But, in the interim, lighten up. Be joyful. Have fun. The more fun you have, the more joy you experience. The more joy you experience, the more light you exude and the better results you will attract overall.

So for this weekend. Take these words seriously and have some serious fun! Lighten up so you can soar.

I love you,

Michael, the Archangel

So, while you are having fun this weekend, I will have fun putting together what Michael wants to create for you for next week. It won't be all work and no play or that would be setting a bad example! But, I will be planning this out for you because it will be a new offering I don't have all the details on yet. But, as soon as I do, I will be sharing them with you during the week. As in all my work, it is divinely orchestrated.

So until next time, I hope you heed the direction from Heaven and do make sure you have ample fun this weekend.

Faithfully yours,

Joy

Client Update...

To be of better service to humanity, we are implementing new programs and opportunities. All current weekly private clients will be grandfathered into their current packages for as long as possible. Previous clients may seize the opportunity at their previous pricing if you are booking while these new programs are created. However, there have been new pricing increases for private work for new clients. Those that have previously worked with me can take advantage of their old pricing if you book now through April. Those that have been on this list may seize what has been the most recent previous pricing also until finalized.

Business owners can write these services off as a business expense.
