**Understand, Celebrate and Benefit from Heaven on Earth**

I can't believe it is four years later and we are celebrating the fourth anniversary of the opening up of Heaven on Earth. The challenge is, however, that most don't know what it is yet or how to seize the benefits of all that is available from reaching it. As I have been reminded, "Rome was not built in a day!".

My personal commitment is that everyone reach and benefit from it, but most aren't able to as of yet due to old programming and not enough information.

To help understand the dynamics better, we are offering a [teleconference](#) on March 30, the official anniversary of Heaven on Earth opening, at 1 PM.

You can also read or reread the following [blog post here](#) that elaborates on when it opened and how we got there.

We will also elaborate on further dynamics likely in the next couple of newsletters because there are so many things to be aware of to understand the elements.

Below is also how to celebrate with me and on your own.

Wishing you a wonderful weekend.

Faithfully yours,

Joy
