Joyful News - 713/17

This is a quick update and insight.

It is a time of transition for all but today I am elaborating on mine for a moment. I am to move away from clearing the cause of darkness to explaining how to identify and overcome it for yourself. My role will move to more education and very specific clearing, although even some of that is still to be revealed. In the interim, although still doing my regular sessions, I am in recovery mode from the challenges this last job has entailed. I have created a recent blog post discussing the challenges I experienced having the role of Archangel Michael in the physical. Our goal this lifetime was to specifically clear the cause of darkness and clear the karma of the fallen angels and humanity as a whole so we could open up Heaven on Earth. This being accomplished, I need a break between that role and taking on the next assignment.

Toward that end, I am currently in Arizona and exploring options out West. I am feeling guided to move West but don't know when, where or how. I am hoping to use this opportunity to see friends and family as much as possible. I am not sure if I will make it to California this trip but I am hoping at least to make it to Las Vegas. But, right now I am open and flexible to the opportunities that arise.

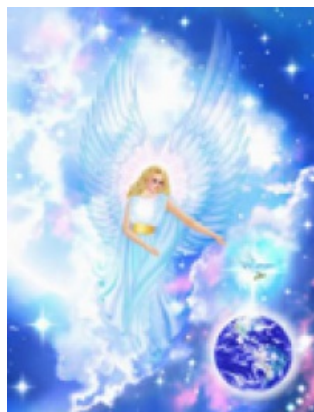

It was an honor and a privilege to have this role to help change the world. And, I am graciously now accepting the gifts provided to help heal from it. It is now time to heal my spirit, mind, heart and body and the below link to the blog explains why that might be necessary.

Wishing you a wonderful weekend and hoping to see you if we are closer in proximity.

Blessings,

Joy

The Challenges of this Calling

Feeling responsible for the wellbeing of this planet hasn't been easy. But, this links to some of the personal challenges experienced in having this role fighting evil to protect it.

I'm still recovering from this and I now have to let go of the memories, and emotions, as well as the physical abuse, that came with it.

If you haven't had the opportunity to spend a life dealing with Satan and Lucifer directly, consider yourself lucky. Although they have been your undoing and mine, this is more of a personal glimpse of their effect on my life. Click below for post.
