Joyful News - 9/14/17

Archangel Michael asked me years ago to establish September 14 as Judgment Day here on Earth.

I had the experience of having an appointment with God a number of years ago that we actually went through my past and got insight into the bigger picture of circumstances. It reminded of the similar experience of what someone will experience once in Heaven. However, being in Heaven on Earth, we can experience those dynamics here as well.

Also, what has been a unique opportunity here on Earth is that those of us who can clear the past, including karma and negative memories, can help alleviate what someone experiences once in Heaven when they go through their review process. When addressed here, there can be less to review and discuss there.

Here are some blog posts addressing the topic from different vantage points on judgment but the last most important regarding today as Judgment Day and what that means.

In light of the Halloween next month, we will include a number of subjects that not only relate to the event but that are useful to clear for all.

I love that so many of you have become regulars and have reported such wonderful results from your participation on these monthly calls.
