Joyful News - 9/8/17

In light of the hurricanes, I have been clearing for my regular clients. We include their personal lives, families, homes and cars as well as their businesses, employees and business properties. We always clear with the weather in our monthly group clearing call. When we clear for my clients' travel plans, we also clear with the weather. It always helps elevate the situation.

I have seen in the clearings just yesterday bring up unconscious fears about a great flood with memories of the time of Noah, but also fears and emotions surfacing of past experiences of scarcity. Emotions actually contribute to weather and weather also triggers emotions.

If you'd like to read previous blog posts on weather and the current two by Archangels Faith and Michael in light of these storms, feel free to read four short posts in the weather category. I suggest starting with the one entitled, "Rain" by scrolling to end of the category and scroll backward to end with the one by Archangel Michael.

Fortunately, I was divinely guided out of New Jersey prior to Sandy and missed that experience and was out of Florida before the threat of Irma. I'm personally grateful to both the divine guidance and graciousness of hosts who have suggested staying with them to avoid the challenges of the storms.

In the interim...

Wishing you a safe weekend.

Blessings,

Joy
