March 30, 2018 - Anniversary Celebration of the Opening of Heaven on Earth - Live in Lakeland

What's blocking you from experiencing Heaven on Earth?

My work is to set all free to soar to achieve their greatest potential in a peaceful world. You can imagine that it isn't an easy job as there are many variables. The first thing that was necessary was to release the cause of darkness that has been undermining all. Darkness has been in the background manipulating everything and everyone in one way or another. People just didn't realize it. Knowing about darkness is not as scary as being victimized by it without the awareness and tools to release or rise above it.

Fortunately we were successful and the dark leadership is out of the picture. What remains, however, is the damage they created to the world, society, industries, religions, etc. and the negative effects on the hearts and minds of humanity due to their efforts.

We cleared enough of the cause of the problems to be able to open up Heaven on Earth on March 30, 2013. Most, however, still don't understand enough about it or how to reach it to benefit from it. So, I want to begin by educating on some of these elements.

Bevan Bird, Founder of Soul 2 Soul Connections, did a video with me to explain some of these dynamics. The intent was mostly to help people who want to host an event in celebration of the anniversary of Heaven on Earth on March 30. Some information is relevant to all so I thought worth sharing here.

Also, tomorrow we will be addressing the numerous ways in which darkness has undermined you and the suffering caused you. Ancestral and cultural programming, fears and limited beliefs and karma all have traces to darkness.

By lifting these negative memories from you, we will set you free from the unconscious limited beliefs and fears that continue to hold you back in ways you cannot even imagine.

Joy
