[Celebration of the Opening of Heaven on Earth - Live in Lakeland at 6:00 PM](#)

We are having a potluck and a

Why do I want you to join me in Heaven on Earth?

I was reflecting on my life this week thinking what is really giving my challenge. Everything in my life is great. I really don't have any problems. Life is rather effortless. Until...

I try and do as God asks and that is to help those who are struggling or suffering in any manner. Then I find I am challenged. What is the challenge? Coming up against people's limited beliefs, fears, and skepticism. If I wasn't asked to help people who are struggling, I wouldn't have any struggles myself.

I have a nice business with wonderful clients and things move along pretty easily and I am happy. When am I not happy? When I have to deal with the general public and educate them on Heaven on Earth. Why? Because they aren't aware of it, it doesn't make sense or meet their pictures of what they were lead to believe it was supposed be or how it was to show up.

I can assure you it is here and I live in it. However, the challenge is I end up being pulled back into other people's reality and belief systems because of their lack of understanding of it. They judge me and yet they are the ones who aren't living in Heaven on Earth. The ones who are struggling are making me wrong. Their lack of awareness and the way in which they react toward me is my only challenge.

Does it make a personal difference to me if they are living in Heaven on Earth? Not really. God nor I want to see anyone struggle. I have struggled in the past and don't want to now. That's why I prefer to stay in Heaven on Earth. Why do I want you to join me there? So you don't struggle either.

Life is easy in Heaven on Earth. There's no darkness in Heaven on Earth. You cannot reach Heaven on Earth unless you vibrate high enough to get into that reality. Darkness doesn't vibrate high enough to reach it and sustain itself there. So, if you are dealing with darkness, that is evidence you are not living in Heaven on Earth. I need to step out of Heaven on Earth and clear it for you and others at this point. That is something I am willing to do to help you vibrate higher to reach Heaven on Earth so you don't have to deal with darkness anymore.

There is no fear in Heaven on Earth. Therefore, if you are dealing in fear, you are not living in Heaven on Earth. If you want to let go of your fear so you can join me in Heaven on Earth, I will help you let go of your fear. I am happy to do that so you don't have to live in fear any longer. I know what that is like. I have had fear before. But, I no longer have fear. I love it!

It is easy in Heaven on Earth. I want you to join me in Heaven on Earth, so your life can be easy, effortless, joyous, free and abundant. So why I am a problem to many? I come up against people's lack of awareness of what it is or that it doesn't meet their expectations. But, I'm not the one struggling unless I am asked by God to help those who are struggling. Then it becomes a struggle when dealing with their resistance to the help he is providing so they don't struggle!

If you have struggles of any kind, God can help by surrendering to him completely and living in the now only. If you have trouble getting there or are dealing with any challenges, reach out for a private session or join our first Saturday of month that is listed below because God helps you through both.

But, if you don't want our help, help yourself by letting go of any fear and limiting belief and any belief in struggle and raise your vibration to join us in Heaven on Earth. There is no reason to struggle or be afraid any more!

And, join us next Friday if in Lakeland - see left of page, to celebrate the anniversary of when Heaven on Earth opened.

Much love to you. Have a wonderful weekend.

Blessings,
Joy
