Joyful News - December 5, 2018

A couple of years ago I saw the instability of the planet and checked with God who responded that the dense energies in 3D could cause it to implode. Because 5D was still wobbly because there wasn't enough faith in it yet, the new Earth was also unstable.

Ever since then, I've had this on the back of my mind to continue to help clear the dense energies to keep the Earth from imploding.

The Ascended Masters also had warned in February of last year that in November of 2017 we could have had an uprising, which became a focus for the remaining months to help avoid it. Now some prophecy makes more sense.

For the remaining story regarding what happened and the difference you can make, [read here...](#)

As you will see we made some changes to our New Jersey plans, which you see below if you didn't see the separate notice that went out yesterday.

For those of you who wish separate socializing, I will be in Bergen County so if you can make it there, let me know. I'll be celebrating the holidays there.

And, for those who weren't on the call Saturday, please let me wish you a happy holiday season. God made some great points on the holidays as it relates to religion, and that message to participants will hopefully go out later this week to you.

Wishing you a blessed and joyous day. And, Happy Hanukkah to those who are celebrating it.

Much love,

Joy
