Heaven on Earth Anniversary

We did it! A big thank you to God and the gang for all their help in making this move to Sarasota happen. Heaven lead and assisted in all aspects of this move. After receiving the estimate from the moving company, I even asked Heaven what it would actually cost. I wanted to have the exact payment as it was cheaper if I paid cash. I had the money on hand and the figure came in off by \$2.50. You can ask anything of God and Heaven to make life easier. They certainly made this move easier.

As I begin set up the new place, the work continues. But, this weekend, I will have guests from New Jersey. They were pivotal players during Holy Week 2013 when the course of events lead to opening up Heaven on Earth March 30, 2013 and wanted to celebrate this anniversary with me. I hope everyone celebrates Heaven on Earth Day this Saturday. However, we will be anchoring the energies of Heaven on Earth here in Sarasota by doing another toast and ceremony at 12:12 without whatever guidance comes.

If you missed the background on Heaven on Earth, you are welcome to this free report [here](#).

It's time everyone learned about Heaven on Earth, what it means, how to benefit and how to reach it. It is a vibrational frequency that makes all the difference in the world. Going forward, we will begin sharing more about the nuances of this new golden age so you can capitalize on it.

In the interim, celebrate that it is here. Even if you haven't reached it yet, the fact that it is here makes it accessible to all who choose to ascend to it. Isn't it time for more joy, peace and abundance?

Blessings,

Joy
