Healing Fathers, Fatherhood and Father Aspects

All have a relationship as and with fathers, whether this lifetime or others. These relationships are significant and carry karma. You came here for a reason. You picked your father for a reason. Do you know what that is?

Do you still have a father in the physical? Mine isn't here but fortunately still works with me and helps me in the realm he now exists. He actually spoke to me the other day and I heard his voice in my head. I then tuned in and he gave me guidance that was very useful. Those connections never die.

And, some of the memories and emotions continue through and to this day. Some hold us back. Some give us great peace or motivation. Whatever is unhealed, however, needs to be released to help you experience positive potential outcomes.

This Saturday, we will be clearing these roles as fathers, the challenges experienced as fathers, and the challenges with your fathers this lifetime and others. You can read more about these varied dynamics in our latest blog, Fathers and Fatherhood [here](#).

Questioning These Comprehensive Calls?

If you are wondering how and why we can include this massive subject along with the massive subject of weddings, marriages and divorces also in one group call this Saturday, let me explain. Because God runs the call and there is much assistance from the archangels, angels and ascended masters, we can cover a lot of data and address many people. Your subconscious carries these memories. We want to clear the negative memories and emotions you carry within that are coloring your outcomes now. God and the team know what they can clear for you now.

So, no matter if there is an extensive list of things we include, God will remove what is for your highest good on each occasion. But, this month we are highlighting two typical areas relevant to June. Therefore, you get to release whatever is helpful to you regarding whatever and all that is included. And, you and your family doesn't even have to be on the call to benefit.

Much love to you all.

Blessings,

Joy
