

Joyful News - June 12, 2019

I thought I would simplify and just ask God if he wanted to speak to you. Here is his message:

Long ago you decided to come here for these end of times. I know many of you are challenged with what is coming up for you. You are seeing many things revealed in the world that are disturbing. Recognize that what is coming up for you and what is being revealed in the world have all been hidden. It is now time to reveal and release all to set all free.

Do not be frightened by any of it. Just let it go and allow it all to be healed and rebalanced.

What you can't let go of you, creates further imbalance. So the sooner you can release it, it will be healed and you will be restored. Turn everything over to me in the moment it occurs.

You have much to be thankful for because this is the time when all can be set free from the shackles that have bound you for what seems to be eternity. But, within the scope of eternity, this is just a blip along the way. Recognize it for what it is and release the past. For the glory I have available to you now can only be given if you are open and receptive to receive what is new and possible for you now.

I love you all.

Peace Peace Peace

Father God/Your Source and Creator

On a personal note, the feedback from Saturday's event at Global Wellness Day was delightful. And, because people asked for a recording, I thought of putting together a Zoom version of "The Art of Living in Joy".

Our opportunity to live in joy, was expressed when we went to the rooftop and enjoyed a beautiful view of Sarasota socializing with friends and participants of the event.

Wishing you much joy...

Blessings,

Joy
