Archangel Raguel Offers Insights to Understand Life

Many are experiencing challenges or are confused by the way life is showing up these days. I came across this message I channeled audibly which also has the transcription you can read. It explains life and gives an overview of life today. He includes the cause of some of those challenges as well as an update to what has been in the background. You can access both the audio and the transcription on the blog through this [link](#).

"Up until this time, much of the information you have received has been eschewed by those who wish to influence you. Let's just say disempowered you so you don't know how powerful you are and cannot connect to the power that makes you so." ~ Archangel Raguel

Blessings,

Joy
