### Soul Contracts

I have seen the contracts created between individuals in Heaven.

Sometimes people make contracts with darkness, while on Earth, which I can fortunately clear for individuals. But, they are more rare than what I want to discuss here.

We all have made contracts with significant people in our lives before coming here. And, sometimes we make them along the way. Your high self will make them with someone else's high self. But, do you know why consciously? Do you know the terms? Most do not. But, it can be important to fulfill them because you (or a part of you) created them with purpose.

I am sharing a [blog post here](#) to understand the dynamics of soul contracts more.

I have also seen many contracts go unfulfilled and the fall out of those not being completed. Often those contracts and all parties need to be forgiven. Since our focus August 3 is clearing blocks to forgiveness as well as clearing that which needs to be forgiven overall, we will include the dynamics of unfulfilled contracts in our group healing call amongst other things. Details below.

The higher you ascend and the more you begin to see across the veil, the easier it will be to recognize those contracts. And, the easier they will be to fulfill or work with those contracts to the greatest benefit of all.

In service to your soul....

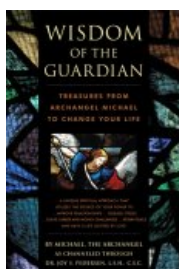

Blessings,

Joy
