Have You Felt Dissatisfied?

This message came from God recently addressing life and dissatisfaction:

Let me elaborate on something. Nothing is as it seems. Much in this matrix is fabricated to create a framework from which humanity can live and learn and experience life in another dimension and reality to grow beyond the limited experience of a Heavenly state of consciousness.

Nothing pushes ones buttons or possibilities faster than trial and error. It is those very buttons that instigate great change as well as awareness.

By living in the limitations of effortlessness, nothing seems impossible and nothing is motivated either. When all is possible, people aren't often motivated to change or create.

If you can have everything you ever wanted tomorrow, and were perfectly happy today, would you change anything? What would be your motivation?

Take something away or give you a challenge, and what would occur? Motivation to make a shift of sorts. Dissatisfaction with something motivates change. Being satisfied changes nothing.

Wishing you fun in service to your soul....

Blessings,

Joy
