Lionsgate Portal

August 8 is considered a pivotal day when the lionsgate portal is open with the most intense energies benefiting you in a variety of ways.

Much is being brought into alignment and some of the benefits will be:

- Increased awareness
- More peace
- Chakras opening and activated
- Third-eye awakening
- Heart emotional healing
- Better connections to Heaven
- Enhanced dreams
- Increased creativity

So, if you have any challenges with any of the above, know that you can enhance your experiences with them with your focus because these energies will support your efforts. Seize the day by being in the moment and notice subtle differences and improvements.

This whole summer has had energies supporting significant change but tomorrow seems to culminate into a highlighted event to experience life in a new way. All of life will continue to elevate. The more you elevate spiritually and energetically, the more your life will specifically elevate.

See what shifts you notice tomorrow and feel free to share in our [Help from Heaven](#) group.
