Let Go and Love

The two hot topics for clearing are usually money or relationships. One of the discoveries we made years ago during spiritual healing sessions is that money is often blocked when a heart is closed.

If someone has money problems, I often spend time clearing their heart, healing their heart of former heart

break and returning the lost energies to the heart. If a heart is not open to giving and receiving love, it is often not open to ease of flow in general.

God came through with a message recently that basically addresses those dynamics among other things which I shared in the latest blog post:

On a separate note, if you haven't seen the latest video on YouTube, which you can click through below, you are invited to contribute your preferences to the featured topic and clearing we will be doing on Saturday. If you have a question for God you want addressed, this is a great time to do it. You can reply to this email or, as the video suggests, send a private message to me on my Facebook page, also listed below.

Wishing you all effortless love...

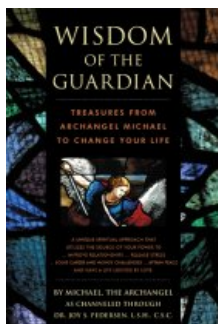

Blessings,

Joy
