Joyful News - November 20, 2019

NOTE: You can manipulate the size of the type on your mobile devices with your fingers to make type font larger if you have trouble reading.

I came across the below blog post today on surrender. I am reminded how challenged people are with surrendering. If you are struggling at all with anything, you are not surrendered. The benefits of surrender are extraordinary. I found since beginning with God's instruction to teach surrender that I developed the ability to do it myself in stages.

I am sharing this link to the post and a video on the subject to help you achieve more ease in life through the art of surrender.

Let me know how you are doing with it. If you want to discuss within our [Facebook group Help from Heaven](#), that may assist all. It's not an unusual challenge. But, I can assure you it is worth the effort to perfect.
