A Blessing From God

Everything in life can be considered a blessing from God when fully surrendered. There has been much change operating behind the scenes to up level humanities' experience. I wish you could see and experience what I am able to from my perspective. It would show you the more profound differences occurring than most are able to see with the naked eye. I can assure you there is much positive change in the world to set you all free to have a more fulfilling life with ease.

On Monday, we shifted into a new reality opening up the doors to new possibilities. It was a special occasion that Heaven awaited for approximately 1,000 years. This special event was orchestrated with all the archangels, angels, ascended masters and big players of Heaven watching and/or helping implement. It was said it had galactic impact.

If guided, I will create a blog post to share the details. But, at least, I want to share my excitement with this preliminary news. This event will help support the long-awaited ultimate shift that will take place once enough people have turned to the light. Once that happens, there will be noticeable improvements seen and experienced for the majority rather than the few of us who have already ascended into the new golden age.

In the interim, I wanted to share a blessing that God asked me to bring to Thanksgiving to share before dinner. It is our gift to you to be able to share before your dinner gatherings whether it be a holiday or regular dinner gathering.

Enjoy God's blessing. [You can access it here.](#)

Wishing you a Happy Holiday Season...

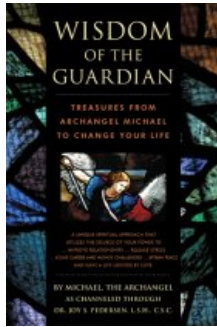

Blessings,

Joy
