The Love in Your Life

More than wishing you a heartfelt Happy Valentine's Day is this...

I wish for you to know love of the self more than anything else. When you love the self, all of life is more joyful and loving. You attract what you are and feel. When you love yourself, you attract more loving experiences.

And, I wish for you to know the love of God. Many have a respect and a curiosity of God but not the intimate relationship that can make an enormous difference in your life. When you know the love of God, you know you are safe and life is purposeful without judgment. You are cared for beyond measure. God gives to you in ways you often don't realize or totally appreciate.

Learning to both love yourself as well as know the love of God is a process that may take years of shedding old paradigms and letting go of past hurts and limited beliefs. But, on the other side of that is a glorious life of love.

Wishing you love always...

Blessings,

Joy
