Change Your Life This Week

I was thinking this weekend that we are approaching a very significant opportunity to ascend to Heaven on Earth that is coming up on the anniversary of it's opening March 30. One of the biggest blocks to ascending is fear. Unless and until you let go of fear, you won't ascend or get what you want with ease. So, out of my commitment to help you let go of fear this week, I decided to devote the whole week to the subject to help you recognize and release it so you can soar with ease. It is time for you to be able to have more success with greater ease. Any and all fear will block that in some manner.

A good litmus test for knowing if you have any fear or not is that if you have everything you want with ease as well as peace, you are likely free of fear. Otherwise it is time to set yourself free from all fear.

So, on the blog, I just posted "[Acknowledge your Fears](#)" to begin this week with acknowledging them as well as tools to letting them go. And, we have the end of the week's call to help clear them quickly and easily if you have any desire to blast them and set yourself free.

Wishing you fearlessness...

Blessings,

Joy
