Fear and the Coronavirus

In my effort to address fear this week in a variety of ways to help people let it go and move beyond it, I prepared a [video](#) specifically on the coronavirus.

I have been working on it from a global healing standpoint as well as addressing the fear in the collective which has been significant.

It has been top of mind in the news, as you know. And, many are addressing their perspectives on the subject. The [video](#) addresses the fear about it and the way in which to approach this or any fear that is experienced. I hope it helps.

This is the time we want to move beyond fear. We are moving into the new golden age where life can be very different if without fear.

And, as have been previously mentioned, we can help you release your fears this Saturday in our [group healing call](#) if you wish to be set free sooner than later to create the life you prefer with ease.

Wishing you fearlessness...

Blessings,

Joy

PS: Don't forget to join is our Facebook group, [Help from Heaven](#), for further discussion.
