Why Clear with Mothers and Motherhood?

As I have said before, most of your karma is connected with your parents. If you need to learn something specific this lifetime, you pick the parents to help you work it out. They may demonstrate the qualities you want to evolve from or to. They may teach you lessons that give you the skill sets necessary for what you want to achieve. You may have something specific with you from past lives to work out.

An abusive parent may be an example of karma from a past life. You may have been abusive before in some manner. This current experience shows you that is not optimal behavior.

You may have been taught lack and limiting beliefs from your parents that may be caused by their own ancestral programming. You then perpetuate those limitations. Often without realizing it.

Results often passed down to children:

- how you feel about yourself, life and others
- how you deal with money
- how you give and receive love
- how successful you become

We will be addressing a lot of those situations and scenarios on [Saturday in our call](#). You can find further details on a bigger blog post that gets into more depth on these relationships. That blog post on ["Why Clear with Mothers and Motherhood" is found here](#). I also share a case study within in.

There is also a chapter in "Wisdom of the Guardian" on parenting that you might find useful. Link below.

Thank you for those of you who donated to our healing the global issues negatively affecting you. As you can imagine, it isn't easy donating enormous hours for free to the world. I will be sharing more of what has been accomplished now that we are beyond the most crucial work.

I am keeping this reminder from last week: Going forward, keep in mind that going within connecting with God is most relevant right now for the help provided for you always. God has asked me to help you connect better and receive that guidance accurately in the future. So, if you aren't able to get that guidance clearly, we will help you with it. But, in the interim, meditate and go into your heart to establish and build that connection.

Blessings to you all. It's time to be and live in peace.

Love,

PS: Don't forget to join our Facebook group, [Help from Heaven](#), for further discussion. However, I won't likely be communicating much in the next five days.
