Are you free?

As I reflected on our upcoming celebration in the United States of our Independence Day this Saturday, the question arose but 'are you free?'

I was reminded of this message from God on freedom in light of this holiday: <https://joypedersen.com/message-from-god-to-you-this-independence-day/>

Many are struggling these days with governments taking away our freedoms due to fear running rampant in the background. God makes some good points in that blog post.

My work as a global healer has always been to help set humanity free. The corruption and darkness that has been cleared to set you free has been enormous. But, sometimes it must also come down to the mindset and setting yourself free. A client said this not too long ago:

*"I had so much fear when we started working together.
Now, I feel so free because I don't feel the same limitations.
I can't believe how much I was stopping myself.
Thank you." ~ K. McPhee*

This is the time when all should be set free. Let go of all limiting beliefs and fears so you can be free. True freedom comes from within because your experience reflects what is within.

Wishing you a wonderful day of independence and true freedom for all...

Love,

Joy
