The Virus Doesn't Affect Those in 7D

There is so much that is going on behind the scenes to bring forth this new Golden Age. Since January, I work hours daily with the Godhead and a colleague on what we can change on a spiritual level to improve the physical. There has been much change there so it will appear in the physical in divine timing.

One of the most recent developments is that God was not satisfied with the way 5D (the Fifth Dimension) Earth was demonstrating, so we helped bring in the 7th Dimension Earth. Now, those who vibrate high can enjoy more ease in this field. At that time, about 44,000 ascended here.

One of the benefits is that the Coronavirus does not affect those here in 7D. In actuality, it affects those in 3D the most. So for those who are concerned about the virus, letting go of fear, limiting beliefs, and other dynamics that lower your vibration will help you rise above that and other challenges.

A good way to recognize what dimension you are in is by the amount of fear, judgment, limiting beliefs and challenges you experience. If you experience duality, you are likely in 3D or 4D.

When we moved to 7D, I could feel the difference immediately. Everything lightened up and became even more easy than it was in 5D.

The challenge with 5D was that many weren't giving up their 3D programming, and still had an attachment to struggle. That 3D programming and struggle was affecting others in 5D as well. Therefore, God opened the door for those of us ready to experience life with even more ease.

Join us here if you would like more freedom and effortlessness. If you are having trouble letting go so you can ascend with ease, feel free to reach out for a chat to see if we are a fit to work together.

Wishing you a life of ease....

Love,

Joy
