Do You Have All the Goodies?

I wrote you a newsletter for yesterday and then ended up having an appointment with God before finishing it to work on something substantial. Now, he delivered this message for me to share with you:

You are on the cusp of a new beginning. I want to make things as easy as possible for you, yet I cannot do that without your cooperation. Many of you block me.

I am the resource of resources. No one loves you more or wants what is best for you more than I do. If I can't give you what you want and need, then who can? No one is as unbiased as I am. No one is as clear as I am. No one wants to serve you as much as I can.

But, I can't without your cooperation and input. You have a say. That doesn't mean that you always want what I know to be your highest and best good. That also doesn't mean that when you would like what you want in the timeframe you wish it, it is for your highest and best good or highest and best timing. Divine timing is just that - divine.

Unless you accept me fully within your heart, there is a block and barrier between us. That barrier will block me from giving to you to the fullest extent. That will block you from fully receiving information that I am communicating. It will also block you from receiving my love for you in its fullness.

To experience what I have in store for you, which is for the highest and best good of you and all, you need to work on your relationship to me first and foremost. Your connection to me, as well as to yourself, is paramount for a life of love, joy, and abundance. To the degree, your relationship is diminished with me will be the degree you lack the above.

If you wish more clarity, joy, love, abundance, and fulfillment in your life, work on your relationship with me. It all starts and ends there.

One of the common issues I work on in our private sessions is the connection to Source God. I see and clear the issues that are creating those blocks and barriers so they can receive at the highest level. It's especially wonderful when I see my clients begin getting direct messages as well as see their lives improve to experience more love, joy, abundance and fulfillment.

I was delighted when hearing this recent comment from a client, "Our work together has opened up so much clarity and opportunity. My connection to God is so wonderful now and I'm so grateful". Hearing that feedback warms my heart. I am reminded why I do this work as well as feel grateful for the gifts God has given me to be able to do it.

Wishing you a wonderful life filled with all the goodies...

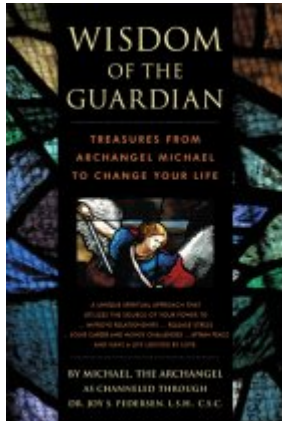

Love,

Joy

PS: Don't forget to join is our Facebook group, [Help from Heaven](#), for further discussion. However, I won't likely be communicating much in the next five days.
